◆ About Runikhata College :

Runikhata College (formerly Sova Ram Borgoyari College) is an Arts college that was established on 9th June, 2010 by Runikhata Primary Committee of the Bodo Sahitya Sabha, 10th Duar Anchalik ABSU, Borgoyari family of Bashbari (Runikhata) and local intellectuals. The college is affiliated to Bodoland University which is located at Madhyam Runikhata (Lat. 26.6423310 , Long. 90.3849880) in a peaceful surrounding on a plot of about 35 bighas (approx 11.55 acres) of land. The college is provincialized by the BTR Govt. on 28th December 2023. The college is full of promises and facilities, especially to those whom higher education is beyond access and affordability.

◆ Mission and Vision :

The Mission of Runikhata College is to turn 'the illiterate of this area to educated ones' and make the student's capable of pursuing their future Endeavour.

The vision of the college is one of an enlightened society in which every individual caters to the democratic rights of the other, to be inculcated through the competent staff and administration of the college.

◆ Objectives :

- To provide quality education to underprivileged rural students.
- To sustain eco-green environment in the college campus.
- To provide common platform for building leadership qualities among the students.
- To encourage unity in diversity.

◆ Present status of the College :

- Affiliated to Bodoland University
- Provincialised.

◆ Academic Course and Programs :

With the concept of implementing the New Education Policy 2020, Runikhata college, as per the guideline issued by Affiliating University (Bodoland University), will offer the Four-Year Undergraduate Programme of Bachelor of Arts (B.A.) and Bachelor of Business Administration (BBA) in Choice-Based Credit System (CBCS) from the academic session 2023-2024. However, the undergraduate degrees will be of either of 3 or 4 years duration with multiple exit options. This will appropriate in issuing certifications, e.g., a certificate after completing 1 year in a discipline or field including vocational and professional areas, or a diploma after 2 years of study, or a Bachelor's degree after a 3 year programme. The 4 year programme will result to a degree 'with Research' if the student completes a rigorous research project in their major area(s) of study as specified by the college. The college will offer Major Courses of BA in the subjects of Assamese, Bodo, Economics, Education, English, History, Philosophy and Political Science.

◆ Description of Different Part of the Programme:

First Year (Semester I & II):

In the first year, a student willing to pursue 4 year graduation will study one major and one minor subject and student willing to pursue 3 year simple graduation will opt two minor subjects. Besides, one needs to study a host of common subjects which are designed by Bodoland University as per UGC's Curricular Framework.

Second Year (Semester III & IV):

Semester III: In the third semester, one will usually continue with the same core subjects that have already been chosen in the first year and again study some common subjects. In the third semester, one will also take a step forward to study the favourite subject by declaring one of the core subjects as a Major subject and other two as Minors. However, the structure of the programme remains same as in First & second semesters.

Semester IV: From Semester IV onwards, one will primarily study the Major subject by taking at least four papers, some of which may be elective depending on the subject concerned.

As the programme structure in the third semester is same as the first & second semesters, one will have the option of changing the Major in fourth semester to any one of the other two Minors as well, even if one has already declared a Major in the third semester. However this has the condition that the new Major subject of choice has vacancy.

Third Year (Semester V & VI):

In the third year, one will continue to study the Major subject to complete a full set of 15 papers in Majors.

Fourth Year (Semester VII & VIII):

If a student intends to progress to the fourth year, she will be devoting the time in studying advanced courses which will be at the level of initial Master's Degree papers. Besides, one will also have the opportunity of engaging into Research work with the faculty members.

◆ Core Course:

The Core Courses determine the ultimate degree, diploma, or certificate a student will earn at the end of third (or fourth) year, second year, or First year, respectively. The performance in the Core Courses will also determine the grade of the student in the final examinations. Total minimum credit requirement is 84 for the Core Courses, which translates to 21 courses (i.e. papers) with a credit allocation of 4 per course (paper). A student will need to study at least three Core subjects. The Core Courses have to be chosen among a plethora of subjects offered for both the types of degrees, respectively. In case of a Bachelor's Degree in a Stream, the components of the Core Courses are Major and / or Minors, while in case of a Bachelor's Degree in a Discipline, there are no Majors and Minors.

◆ Major and Minor:

In case of a Bachelor's Degree in a Stream, a student either chooses a Major and Minors or just Minors from among the subjects. In any case, a student needs to complete 21 courses or 84 credits by the third year. Please see the examples that we have given in this booklet. A Major course must carry a minimum credit of 60 and a Minor course should carry a minimum credit of 12. Normally, for majority of the students, the Core Course will consist of one Major and two Minors.

◆ Common Courses:

The common courses are to be studied by all students alike and altogether they carry total credits of 36 over a 3-year period. These courses are further divided into five (5) subcategories, as described below:

- i. Multi-disciplinary Courses
- ii. Ability Enhancement Courses (AEC): Modern Indian Languages (MIL) and English Usage (Communication).
- iii. Skill Enhancement Courses (SEC)
- iv. Value Added Courses (VAC)
- v. Internship

N.B.: A student can not choose a multidisciplinary subject, if s/he has already studied the same subject during Class XI-XII. Also the subject of these courses must not be among the Core Subjects the student has already chosen.

♦ Career counseling and Placement

The need for disseminating right and reliable career information, counseling and guidance for enabling the students in choosing the right and appropriate career options and opportunities has become pertinent and challenging in contemporary time. With the noble aim in addressing the need of the time, Runikhata College formed Career counseling and Placement Cell on 13 March 2015. Since the establishment, the Cell has been rendering active services to the students of the college providing them timely career counseling and placement services, relevant and useful information about various career, jobs, trainings, institutions etc. Besides giving academic career exposure, the cell also provides timely guidance and skill based trainings to the students' community in order to make them acquire the career and livelihood opportunities, employability skills, self dependent knowledge etc.

♦ Co-curricular activities

Co-curricular activities play a very positive and effective role in shaping a student as a sharp learner and all round developed self. It instills and develops social skills, leadership skills etc. within the students. In order to

transmit the positive effects of co-curricular activities in a larger extent, the college always provides ample avenues and platforms to the students beyond the academic subjects taught. Understanding the innumerable values of co-curricular activities and thereby to utilize the same for the students, the college management body has formed separate committees and cells like Games & Sports Cell, Literary and Cultural Cell, Extension Service Cell etc. and entrusted them to focus and enrich in the concerned field of activities respectively. Accordingly, these committees, besides Annual college Week activities, have also been involved and will be continuing to encourage and lead the students to get exposed in various local, state and national level co-curricular activities throughout the academic sessions. As the college is situated in the rural area, there is ample scope for executing extension activities that enhance students' capability as well as contribute to society. The college has an Extension Cell in order to plan and execute various social activities. Besides the cell, the departments of the college also conduct various social services in and around the area.

◆ NSS Unit, Runikhata College:

Runikhata College National Service Scheme (NSS) Unit was established by the college administration in the month of May, 2015 with a Committee. Hemanta Sharma, Asstt. Prof. & H.O.D. of Political Science was appointed as the first Programme Officer of the Unit. This Unit was approved by Bodoland University NSS Cell lately in the year 2015.
